Dear Mr Mosey,

Re: Freedom of Information Act (FOIA) Request – 190415037

Firstly, we acknowledge receipt of your letter dated 18th May 2020 and the redacted document entitled '2018.07.13 Submission of Handling of Hollesley Bay and [REDACTED]'.

We have taken on board what ICO said in their decision on this case and we accept that our request was very broad.

It is apparent from the redacted document you have released to us, that the information it contains could or should have been disclosed to us almost two years ago. If it had have been disclosed to us, we would have known that the actual paper we would like to see is identified as the 'Operational Assessment' – see *paragraph 4 of page 3 of your document*.

Therefore, we would like to request a copy of the said 'Operational Assessment' that was used to recommend introducing men convicted of sexual offences to HMP Hollesley Bay.

Kind regards,

Judi Hallett

Clerk to Hollesley Parish Council
